

II. Background

During this pandemic, we had PKL online. Our Supervisor MS. Ismarita and MS. Ellen created the WhatsApp Group to discuss the online PKL. We were given a briefing by MS. Rita and MS. Ellen regarding on; Planning for Effective Teaching, Sample Lesson Plan, Generic Enabling Objectives, PKL evaluation form, PKL evaluation sheet, and PKL zoom meeting. This is a new thing for us to do PKL online like this. In our group, MS. Ismarita explained the procedure of how to make a Lesson Plan to teach online to be implemented later. She provided documents which have been mentioned earlier and provided consultations in the course of PKL.

The PKL group is divided into two groups, one for the group that was guided by MS. Ismarita consisting of; Dea, Vinny and me. The other group was guided by MS. Ellen consisting of; Wanda, Dita, and Ninda. In our group, MS. Rita gave us a week to work on the Lesson Plan and to email the Lesson Plan. On June 5, 2020, we sent her our Lesson Plan, and she gave us feedback 3 days later. After the feedback, on 8 June 2020 we sent back the revision of the Lesson Plan.

On 30 June, we had a direct consultation of the first revision with MS. Rita regarding the Lesson plan that we had made and for the second revision/second consultation held on 6 July. Three of us always came together for MS. Rita's consultation to make it more practical for her, easier to understand and we can ask her directly what we did not understand or needed to be explained again. After

that, exam took place on Thursday 16 July 2020. At first, my turn was scheduled to 10:15 – 10:45 but it was postponed to 10:55 – 11:25 WIB due to the bad connections of Dea, and Vinny.
